CORRESPONDENCE COURSES IN AGRICUL-TURE FOR FARMERS AND TEACHERS

The University of Florida offers free | 1. General Course in Elementary correspondence courses in agriculture Agriculture. for all white citizens of the State. The authorities of the University. through the extension movement and extension teaching, are endeavoring to extend the usefulness of the institution to as nearly every citizen of the State as possible. They hope, by carrying agricultural information to the doors of all citizens who will avail themselves of the opportunity thus offered, to make the agricultural industry more remunerative, and thereby, in time, greatly improve rural conditions and rural welfare throughout the State. This, in turn, will react beneficially upon all other indus-

The main purpose in view in offering free correspondence courses in State. However, anyone may take agriculture, is to reach a large and the general course in elementary agrideserving body of citizens who may desire to increase their technical pursued at a time. knowledge and practical efficiency. and yet, for various reasons, have trance examinations are required. heretofore been unable to do so

the needs of the following classes: 1. Teachers and prospective teach- will permit.

- ers.
- ets. 3.
- ters. Others who may be interested and care to pursue a course.

The following courses are offered, beginning November 1, 1909, and end- with J. J. Vernon, Department of Agriing June 1, 1910:

Men and Women and Money. Divide \$500 between a boy and a girl and start them on a vacation with it, and the girl will go twice as far. see ten times as much and come home with new clothes and money in her purse. But the boy will be dead broke and have seen less. This is the difference: A girl when out sightseeing will live on crackers and soda water, and the boy will stuff himself with three big meals a day. The same difference is apparent when the boy and girl are grown. Ever know that father spends a lot on eating when traveling and doesn't get to see as much as mother, who makes every time she misses a meal take her a few miles farther?-Atchison Globe.

A Wonder of Science. "I have been taking some moving pictures of life on your farm." said a photographer to an agriculturist. "Did you catch my laborers in motion?" asked the farmer. "I think so." "Ah, well, science is a wonderful thing!"-Philadelphia Inquirer.

Crushing.

Mrs. Newbride (with an air of triumph)-Really, I was greatly surprised to get a wedding present from the Van der Gilds. They are so exclusive, you know. Miss Jellus-Yes, but they are very charitable, I believe.

- 3. Tillage.
- 4. Drainage and Irrigation. 5. Manures and Fertilizers.
- 6. Field Crops.
- 7. Types and Breeds of Live Stock.
- 8. Dairy Husbandry.
- 9. Poultry Husbandry.

- 12. Citrus Fruits and Citrus Cul-

The general course in elementary agriculture is intended to prepare teachers for examinations for certificates, and to fit them to effectively give instruction in nature study and agriculture in the public schools of the culture. Only one course should be

There is no age limit, and no en-Anyone may register for a course, The courses offered are suited to and may pursue it as rapidly or as slowly as his or her time and ability

The instruction in all courses is Farmers and prospective farm- free. Each individual registering for a course will be required to pay the Farmers' wives, sons and daugh- necessary postage and provide a text-

> Those who wish further information, or who desire to register for one of the courses, should communicate culture, Gainesville, Florida.

> > Paris Actresses.

It is a very usual thing for the Paris hostess to engage actresses to perform for her guests, and they, of course, mingle with these guests on fairly equal terms during the rest of the evening. But I know of very few Parisian society hostesses who would invite actresses to dinner. I am not sure, either, that the actresses would accept such an invitation if they got it, and I may add that it is an amusing tesson in "equality and fraternity" The Kind You Have Always Bought to bear Mme, la Marquise address an actress as "mademoiselle." The tone is exquisitely polite, but it would freeze you on the hottest day in summer. And yet numbers of Paris actresses are married women and, if unmarried, essentially respectable, but the word "actress" is a label, and Paris is a town of labels.-M. Raphael in London Straad Magazine.

To Be Happy

You must have good health. You can't have good health if your liver is not doing it's duty-slow but sure poisoning is going on all the time under such circumstances. Ballard's Herbine makes a perfectly healthy liver-keeps the stomach and bowels right and acts as a tonic for the entire system. Sold by W. M. Johnson.

Women Suffer

much needless pain when they delay using Cardui for their female troubles. Cardui has been found to relieve headache, backache, pain in the side and dizziness arising from deranged organs. It does more than relieve,-if used persistently,-many have written to say that it cured them.

It Will Help You

Mrs. Maxwell Johnson, Tampa, Fla., writes: "Cardui cured me after doctors and everything else had failed. I had been suffering with numb spells ever since I was 16 years old. One day I decided to take Cardui. I have now taken 5 bottles and I can say that it has cured me. I advise all suffering women to give Cardui a long and fair trial."

Mrs. Johnson suffered years. Have you? Do you wish to? But why suffer at all? Take Cardui. Give it a fair trial.
